Re: Razzano v. Remsenberg-Speonk, UFSD  
11-CV-02920

Dear Honorable Judge Matsumoto and Magistrate Judge Kuo:

We are the attorneys for the defendants in the above referenced matter. We write to reply to plaintiff's letter to the Court, concerning the requested retention of records, as well as allegations of destruction of records.

From our review of the physical and electronic files retained in this office, coupled with communication with the previously assigned handling attorney and plaintiff's counsel, we are unaware of any records that have been destroyed. The District was previously advised to retain all relevant records, and the plaintiff, through her counsel, was provided with the entirety of discoverable documentation. If plaintiff provides a list of any specific documents that she has a good faith basis to believe she or her counsel have not been provided or have been destroyed, we will undergo the necessary steps to investigate and locate such documents.

Hon. Judge Matsumoto  
and Magistrate Judge Kuo  
United States District Court
